

Getting to The Goodtimes Project Office

7400 Sand Point Way NE, #101S
Seattle, WA 98115

1. From Sand Point Way NE, turn onto 74th Street which is the main entrance for Magnuson Park.
2. You will immediately pass by what looks like a toll booth/gate, and under a “bridge” of offices.
3. Take the IMMEDIATE right after the “bridge” into a small parking area.
4. When facing the brick building before you, our office is at the left-most (southern end) and is hidden from view. Walk to the south end of the building and walk up the set of stairs to our door.
