

Camper Packing List

REVIEW THIS FORM

Remember that "old" clothes are good camping clothes. It is not necessary to buy a lot of new items for camp.

Please write your child's name on EVERYTHING. Seriously. 😊

Check off the items as you get ready to load them into the car:

- Face masks for the week:** well fitting, multi-layer disposable or fabric masks that cover the nose and the mouth and easily stay in place—bandanas and gaiters are not acceptable
- Warm sleeping bag or sheets/comforters for twin-size bed and pillow (we recommend putting the sleeping bag into a duffel bag or stuff sack for easier transportation)
- Heavy sweatshirt or warm jacket, especially for mornings and evenings
- Pants/jeans (for cool weather) and shorts (for warm weather); collectively 3-4 pairs
- Two pairs of shoes—one pair of old tennis shoes/water shoes to wear in the water/at the waterfront (no toeless shoes) and sturdy hiking/running shoes for general use (closed-toed shoes); sandals with secure straps may be used when not in active activity time (flip flops are okay ONLY for shower house)
- Swimsuit(s)
- Pajamas
- Shirts, including short-sleeve t-shirts and a couple long-sleeve shirts
- Adequate underwear and socks for 6 days (additional quantities may be necessary due to water activities or accidents during the week)
- 2 towels, washcloth, soap, toothbrush, toothpaste, comb/brush, shampoo for each child
- Sunscreen
- Insect repellent (non-aerosol, please)
